Why did Allah God' create us?

And I did not create the jinn and mankind
except to worship Me.
[51] WHO SPREAD: "56"

O mankind, indeed We have created you from male
and female and made you peoples and tribes that you may know
one another. Indeed, the most noble of you in the sight
of Allah is the most righteous of you.
Indeed, Allah is Knowing and Acquainted.

What is Islam?

It is the last of the celestial religions, inspired
to the prophet Mohamed PDSL*, in Mecca,
Medina and other regions of the Arabian Peninsula.
The Holy Quran in the noble Arabic language
is the basis of this religion, universal and eternal
book until the day of resurrection.
The term "Islam" is, in the grammatical sense,
obtained from the quadruplet verb: "Asslama"
which means: to resign oneself, to submit,
to obey... (to Allah'God' of course).
As a concept (religion) Islam consists
to worship Allah 'God' in his oneness, omnipotence...
to obey him, to submit to Allah 'God' recommendations
and to observe Allah 'God' restrictions,
and above all to avoid polytheism...
Allah 'God' tells us in his book:
But no! Whoever submits themselves to Allah
and does good will have their reward with their Lord.
And there will be no fear for them, nor will they grieve.
[2]Surah THE COW:"112"

The Pillars of Islam are five:

- **Attest that God is one and only and that Mohamed PPDSL* is his messenger**
- **Pray**
- **Giving obligatory alms (Zakat)**
- **Fasting during the month of Ramadan**
- **Make the pilgrimage to the Holy Mosque (at the Mecca).**

The Quran is the miracle of Prophet Muhammad PPBUH*

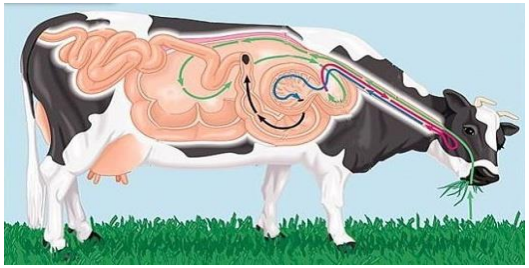

Scientific miracles in Islam

The Milk

'Allah' God says in the Quran:

And there is certainly a lesson for you in cattle: We give you
to drink of what is in their bellies, from between digested
food and blood: pure milk, pleasant to drink.

[16]Surah BEES:" 66"

- **How did an illiterate PPBUH* prophet know**
that milk is essentially made up
from excrement and blood?
- **Furthermore, what prompts him to evoke a**
scientific truth unknown to people
his time, and even those who came from
hundreds of years after them?!

Allah 'God' who sent down the Quran in revelation,
especially the verse quoted above, a verse that we
must read and reread, examine, try to understand...
in order to believe more and more, better
and better in the Creator, so that it is for us
irrefutable proof that what our prophet PPBUH*
tells us is authentic,
which further strengthens our faith in God.

...And Allah has revealed to you the Book and wisdom
and has taught you that which you did not know.
And ever has the favor of Allah upon you been great.
[4] Surah Women: "113"

The Misericord

Allah 'God' tells us in his book the Quran:

And We(ALLAH) have not sent you, [O Muhammad],
except as a mercy to the worlds.

[21] Surah The Prophets Verse: "107"

Mercy for Men:

Prophet Mohammad PPBUH* said:

"God is coming helping humans as long
as they help each other."

Allah 'God' says in the Quran:

And if it had not been for the favor of Allah upon
you and His mercy in this world and the Hereafter,
you would have been touched for that [lie]
in which you were involved by a great punishment

24] Surah THE LIGHT "14

Statement from a Western thinker:
"One day, Islam will rule the whole world, **because it is an amalgam of knowledge and** **wisdom ",** **(Leo Tolstoy,1828-1910).**

PPBUH*:Prayers and Peace be upon him

message.clicvia.com

Who is Muhammad PPBUH*? He is the last of the prophets and messengers: "I was only sent to complete the rules of morality"

The messenger of God is Mohammed PPBUH*, being the last of the prophets, received the holy quran from God, the book that Muslims are called to follow.

•He was the kindest to his family, neighbors: hearty with them, did them a favor

•He respected people whoever they were: children whether they are adults, rich or poor, men or women.

Who are God's messengers?

A messenger is one to whom God inspires a heavenly book and an autonomous and independent law (sharia), and gives him a miracle that supports his prophecy.

Believing in the prophets is one of the six pillars of faith, the renunciation of one of these foundations or its refutation generates the cancellation of this faith.

Difference Between Messengers and Prophets:

A messenger is one who establishes a law (shariaa) initially, while a prophet is one who safeguards a law (shariaa) established by a messenger and practices it.

What is the propets' function or mission ?

Their role is to guide the nation towards good and paradise and warn him about punishment: God has provided the messengers with a wide horizon, right thinking and deep understanding, which enables them to perceive what we are incapable of perceiving or knowing.

The Transmission of Divine Law: "The Transmission" is the first messenger mission, it requires honesty (amana); the messengers being called to transmit fully what they have received from God without any deformation or alteration and without cripple the manner ordained by God

The Mercy

- **Mercy to Ourself:**

We are commanded to be moderate in worship, and to avoid what is inaccessible and constraining for ourself.

- **Mercy for parents:** it is a duty

for every Muslim.

Allah prescribes good grace to parents, it is their right that their children be good and kind to them.

- **Mercy for women:**

Urge respect for women, show them tenderness and kindness to them.

Express kindness and affection towards children and be lenient with them, further display bitterness and affection if they are faced with a distressing or saddening situation.

- **Mercy for the Working Class:**

Incite to be kind to the workers, to demonstrate leniency towards all who are under our responsibility, whatever the society to which they belong.

- **Mercy for Animals:**

Ban all forms of animal torture, to defend anyone to make them suffer, to deprive them of food, or force them to carry excess loads, Kill animals "gently".

- **Mercy for the orphan:**

To recommend beneficence to him, to treat him with compassion, forbid using one's money wrongly, to mistreat, insult, beat or other.

- **Mercy for prisoners of war:**

By showing kindness to them, refraining from torturing or humiliating them,or any other.

Who is 'Allah' God'? Allah 'God' is one and only.

All that is counted is not a God.

In the name of God, the Gracious, the Merciful.

1. Say, "He is God, the One.
2. God, the Absolute.
3. He begets not, nor was He begotten.
4. And there is nothing comparable to Him."

[112]Surah PURE MONOTHEISM

No intermediary between him and his servants. He has no partner in his property or alike in himself, its characteristics and its actions.

God tells us:Say: "If the mankind and the jinn should gather together to bring the like of this Qur'ân, they could not bring the like of it, though some of them were helpers of others."

[17]Surah THE NIGHT JOURNEY: "88"

What is the Quran?

It is God who sent down the Quran (received by Mohamed PPBUH*), it is a book addressed to all men, the Quran being the words of Allah, the words of humans can in no way equal it: neither in structure nor in meaning, nor at the level of its influence (its impact on the recipients), or even, and finally, at the level of the happy benefits and advantages that can be derived from it. Allah says in the Quran:

This is the Book! There is no doubt about it 1—a guide for those mindful ˹of Allah˺,[2]Surah THE COW:" 2"

˹This is˺ a revelation from the Most Compassionate, Most Merciful.

[41]Surah DETAILED VERSES: "2"

Mercy for Non-Muslims:

Recommend the transmission of Islam to non-Muslims, invite them to believe in God, knowing that mercy in Islam includes al lindividuals regardless of their religion or of their conviction, through the feeling of satisfaction and joy that the Muslim feels seeing the non-Muslim embrace Islam.
